

I will just write into here, what needs to be said.

To Australia:

Firstly I wished to express my MOST sincere THANK YOU, to all of those who'd helped me or attempted to help me at a time in the recently passed past. I am very grateful to all of those who'd stood out to help me, of course even if I didn't realise what was happening at the time, regarding circumstances of/or the situation, or even that they were trying to help me.

And secondly, that;

A gentleman named Craig has lied to every body... Making people out to think that I am Jesus! I came to realise this on a number of separate occasions although the last most was when I was attending a homeless persons shelter during heavy rain here in Adelaide. It was when a woman exclaimed great shock and surprise when coming to encounter me, proclaiming a remark that made it out to seem like she thought that I was freakin' Jesus. Now it is important to realise, that (1) I am not crazy, as this bloke is, and (2) I am not retarded [because Jesus (Craig is)]. And (3) I am also not a liar, as this guy only lies. I mean that he seems to understand yes as being no and vice versa. ie. completely idiotic and totally annoying ... He's haunted me for long fucking enough. Primarily with intrusive thoughts about nonsense that doesn't even exist nor make any sense to me. It happens when I am engaging in conversation with any body, and I hear a thought which states something like 'steal his/her soul'. It is not my thought and the peculiar thing is this, that when I climbed a mountain as tall as Everest, nearly, it seems to have ceased these external thoughts which impose my mind, and do not originate from me. So any way, with this having had now gone on long enough, by far... It is time to do something about it... :-) I AM THE TYPE OF PERSON TO BRING ABOUT SOLUTIONS, HE IS A GAMER AS I ELABORATE ON BELOW. ANOTHER SOMETHING I WISH I'D NEVER HAVE KNOWN... READ ON!!!

I actually feel somewhat bad for what I've wrote here on this page, actually I revoke that, I do not feel bad in the least. For what he's done to me. Regardless, behaving in such a manner is quite outside of my usual behavioural conducts and means managing myself. It is quite totally unlike me to do such a type of a thing to any body, although it is entirely warranted due to what he has planned for me from the year 2013-onwards, or sooner, in my personal opinion.

In-fact and on the date of the 23rd of January, in the year 2013, which is when he'd dragged me into some bullshit which totally has ruined my life, in ways. Leading those who don't know the situation well enough to believe that I am insane, and some times I have questioned my own sanity although it is long-passed time for such a thing, since a long time ago now. It is clear what has happened and most of the folks living in Australia know it. And know it to be as I have or will explain to you in this document, here. Actually and because of my - finally now, but better late than never - coming to the correct and proper identification of all of the reasons for past events that had taken place and what he'd planned for the future and my part in his planned coming of events for myself, I'm quite very much obliged to need to write this out. The entire universe in-fact depends on my handling this urgent matter in the most appropriate fashion that I could possibly handle it in. I know that he needs somebody to blame for all of his mistakes, and that he wants to send me to some place where I do not belong, something related to the number six. Where he *should* be. Because he has had zero involvement in the composition of what was wrote in the document that is in Melbourne which was composed by myself (and God - controlling me, as such) in the year 2017, during November. In-fact he is involved in nothing good, or useful. He wishes to steal this document and make me out to appear as being the 'bad guy', here. And many folk do not understand this, as I have come to realise that as being the truth of matters here that in-fact Craig thinks that it was wrote by Melanie (a girl living in LA) and myself and I have also been led to believe that many others seem to be of this belief also, when she also had nothing to do with it. They were working together, in ways... At-least in the beginning and the last that I had heard from the one true God, he'd also told to me that this was the case. That they were working together, see. And there was a time when I was living in

Melbourne, prior to the document having had been written yet, and the girl who I was with at the time, Esharnie who was in-place of Melanie, or that Melanie was controlling her, said that; "I am so sorry what has to happen to you." as she cried on my shoulder. Like as if the two were planning this together, to steal this document. See... It turns out to be true that the very first God had spoken to nobody aside from myself and turned out to having had been waiting all of this time, in silence to any one, awaiting for me to appear through nature, which cannot be destroyed. That is let TRUTH and what is REAL prosper. :-) How could it ever be any other way? In reality it was always going to be like this. :-) And yes it remained silently dormant for the ability to react to the situation brought about by people's bringing of the situation that is at face now... It is of vital requirement for me to do this, as Craig means to reverse this whole rectification of the circumstances of the state of condition which I have brought about. By now he has tried to eat me- yes I know that it sounds ridiculous although it is true. The first God HAS ACTUALLY REACHED OUT TO OTHERS IN ADELAIDE WHERE I AM CURRENTLY RESIDING TO LET ITSELF BE KNOWN TO OTHERS (HOPEFULLY NOT BECAUSE IT WAS DYING AND ON ITS WAY OUT - SO OTHERS KNOW THAT WHAT I AM SAYING HERE IS TRUTHFUL. It was always that this would be a first ever in the entire historical being of the universe. And it is necessary for me to write also that of the coming of events that have manifested in my reality, in one of these events, any way, had been showed to me in reverse, that is correct three separate happenings and all have happened(*), aside from the first one which I lay witness to, which was; among other things and being the only providing of information to me that was shown to me by God and being in reverse. AND ONLY BECAUSE IT MADE MORE SENSE SHOWING IT IN THIS WAY IN ITS EVENTUAL UNFOLDING IN MY REALITY. UHUH, NO LIE. And these events were that firstly I witnessed was the universe ending, and it was bright and loud and it very much surprised me that my grandfather did not even fucking notice! Lol. Although it took place at a xmas lunch when I was aged around ten years, and in my reality (in this case) I witnessed a flash of light so damn bright and in the shape of a nuclear explosion which had detonated and entirely visible through a non-transparent (solid) awning over the window! The other two things? Never mind, although they've already occurred in reality. (*) Actually on writing this out, it has caused me to realise that myself being the only living person on earth has not happened yet either.(1)

He has the capability to control people, some people, I guess, seem to be able to. And this is a very horrible capacity for any person to be in capable (or incapable) position of being able to perform... It is the sole reason why I have NEVER had a girlfriend in my life with whom I shared emotional intimacy brought about by having things in common with by one another. And I am now thirty-nine years of age... Until recently this was NOT my fault, although in recent times, following writing notes and my website domain all over Adelaide, one girl I heard in the library actually say my name, saying that she'd heard some thing from me first, and she had said 'Christopher Csatlos' and pronounced it correctly! It was so adorable, although you must know I'd been feeling so impaired at times in the recent past, that I was incapable of reacting appropriately. Anyway, you see I have had ONE woman in my life and with this woman I had NOTHING IN COMMON, she used to watch television all of the time, like Craig does, when I've not watched television since 2007. I was also informed in Melbourne that there are those who wish to bring about changes for the better with the best interests of of all of Life in our hearts and minds, and then as-well as us that do things, there are those other people who ... just play games. Which is fucking with people's life's for no reason. FORTUNATELY FOR MYSELF I AM IN AUSTRALIA AND MANY HERE UNDERSTAND THE AFFAIRS WHICH I DESCRIBE HERE, ALTHOUGH MANY WERE ALSO UNDER THE WRONG UNDERSTANDING ALL THANKS TO FALLACIES PROMULGATED THROUGHOUT THE SOCIETY HERE, BY JESUS (Craig).

(I will continue in writing this in a moment, I must head out to a friend's to score some meth... Lol. BRB. 18.07.26 071140 (am- I only use twenty-four hour time.))

I've just returned although the injection of my loved substance that is methamphetamine has only produced confusion and a incoherent cognitive state heh. I usually would have on hand some benzodiazepine exactly for the suitable treating of this mental condition ... **ALTHOUGH SINCE LOSING MY APARTMENT IN MELBOURNE I HAD ALSO LOST ALL OF THE REPERTOIRE OF STOCK OF MEDICATIONS WHICH I DID HAVE FOR ... THE TREATMENT OF EVERYTHING. FROM ACTIVATED CHARCOAL** (in the case of the ingestion of poison or accidental over indulgence of whatever) **TO BENZOS, BARBS, STIMULANTS, NARCOTICS, JUST- EVERYTHING.** Actually everybody that came to my residence would say to me, "WHAT THE HELL!!! DID YOU ROB A PHARMACY, OR WHAT!?" Ha ha. Yes it was quite the collection. :-)

Okay so continuing on, it wasn't exactly my fault! Or at all. I accidentally-
THERE'S A-LOT TO IT!

You see... During my "homeless" trip (which sometimes I write into quotation marks, only because earth is my home, and so I sometimes view it as that nobody can truly be homeless in some senses of the word) which occurred from in between, beginning some time in late-October of 2021 and lasting until recently (mid-2025), more-or-less as it had felt (I am recovering from it, now - like really) so four years. Well during that "trip", I'd witnessed everything, ... from views of astonishing beauty to things of the exact contrary. You see, to provide example of this to you, I had been in one too many places that lack geographical existence on earth, for one. For example, I was sitting on a beachfront and directly opposite to me, in-front of me and across of ocean was Surfer's Paradise. **THERE IS NO BEACH OR SHORELINE(S) IN AUSTRALIA THAT REFLECT THIS!!!** I once climbed a mountain approximately ten-times of the height of Mt. Everest (lol) in northern New South Wales, also (near Murwulamba.) And as-well as this, following returning to my Melbourne apartment (which had now been sold due to my feeling disturbed there following my homeless trip of two years and then some) one night following producing a thought which provided every fucking body with total happiness and complete understanding, **WHICH I WILL REMEMBER** (at some time) - some thing, attempted to annihilate me by using some form of what I can still only best describe by using the wording of 'a high energy device', you know the peculiar thing is this, that this description of this mechanism that I provided here, well; this girl I knew/know in Los Angeles, California, well she brought it up with me years prior to myself ever becoming homeless, asking me this: "Have you ever had a high energy device pointed at your head?" lol. It was just quite odd that this did occur when I had returned to my home address in Melbourne. But my entire life has more or less been quite odd. Also then I was located in a *somewhere* that did not contain oxygen in the environment, and I **MUST SAY THAT**, it did feel incredibly unusual to my lungs, although I was still capable of breathing, some how. **AND EVERYTHING WAS MOVING ACCORDING TO SOME MUSIC, OR SO, IT WAS QUITE SOME THING!** So yes, I'd been in places one too many places which geographically aren't existent on earth, or seemingly possible, even. And, I do not even want to bring myself to recall the extents of stupidity that I'd also had bear lay witness to. Oh and I must say that it felt like that I was haunted out of my apartment initially, which lead to my homelessness. And then? Haunted out a second time, I've since learned that this was the work of Jesus (Craig) or demons. Yes.

I HAVE SINCE LEARNED THAT DURING MY "HOMELESS" TRIP, I *MAY* HAVE DESTROYED THE FIRST GOD, *but I do not believe that I have.* You see that it has spoken to me very few times, and that I have only just recently discovered Its reasons for behaving in this manner, and it was to allow myself to distinguish between what to do, and what is bullshit (Craig). Because there always was a-lot of noise, until I climbed Everest and then 'intrusive thoughts' as I will refer to them as, ceased occurring. Any way, continuing on ... **AND I DID DESTROY THE SECOND ONE GOD WHICH WAS SATAN, OR MELANIE IN LA. AND ALSO, THE THIRD ONE, WHICH WAS JESUS, OR CRAIG (NOW). AND ACCORDING TO THE UNDERSTANDING OF PARTICULARLY INCLINED FOLK, THIS WOULD LEAD TO MYSELF BEING THE FOURTH**

ONE, OR POSSIBLY, LUCIFER. AND ONLY BECAUSE AS SOME PEOPLE TEND TO BELIEVE THAT SATAN WAS THE FIRST GOD. ALTHOUGH THE FIRST GOD NEVER SPOKE IN REVERSE OR IN ANY STUPID FASHION AS SUCH. IT WOULD NEVER LIE, OR HARM OR BEHAVE IN ANY HURTFUL OR UNNATURAL MANNER. IN-FACT IT REFERRED TO ITSELF AS 41(*) (it would seem from most other's identification of things, possibly the premise of person's believing that it worked in a reverse fashion) BECAUSE ... IT SAW/KNEW THAT, EITHER; IT CREATED MELANIE, THE SECOND ONE, OR PEOPLE DID SOME-HOW. BECAUSE OF THE TERM 41, IT LEADS ME TO BELIEVE THAT PEOPLE DID THIS IN SOME WAY WHICH IS BEYOND MY UNDERSTANDING OF EXACTLY JUST HOW. YOU SEE... THIS WAS, AS IT TURNS OUT (my homelessness) ALL A FUCKING MASSIVE HUMONGOUS MISTAKE, ALTHOUGH I DID NOT KNOW OF MY DOINGS UNTIL RELATIVELY RECENTLY - THIS BEING ADDED HERE ON THE 18.07.26 ... And revised on the 11.08.26.

Unfortunately I have learned a-lot of what remains bullshit in from a realist's perspective and this is that some people - due to people's creation(s) seem to be - capable of living more than one life. I have now, since writing the above proclamation come to realise that people were the one's responsible for this happening to being. You see, I have come to discover the understanding that; WORK OUT HOW PEOPLE CREATED THIS NONSENSE. WORKING IT OUT (ITS CAUSATION) WILL LEAD TO THE DEVELOPMENT OF A MEANS OF ITS DESTRUCTION. PROPER.

(*) To elaborate on the nonsense I have described in the above, it is that because of two, sounding like to, and then four, sounding as for. The former meaning y'know, it is quite implied...

The things which I remember of this document which God (the first one, which has immense power and ... never mind) and myself produced is that, ...

(1) It was a collaboration, and ...

(2) some of it wasn't composed in english, and then that ...

(3) I had decided to write all of the 'i's in lower case being to not ascribe any greater importance to myself than any other person here, or any other being in throughout the entirety of the universe.

The thing is that my TRUTH document in-fact I've come to understand following have had composed it, is that is in-fact ... TRUTHFUL! Lol. And I know this because ... EVEN JESUS FUCKING TOLD ME. That is Craig, who happens to live in Victoria. I know the guys address. And I will be visiting him very soon, although not to kill him and go to prison. The unfortunate thing here happens to be that he is a total retard and knows nothing useful, and especially not the truth of the way that things are in the reality of circumstances that are. I have in-fact seen how beautiful things are all throughout the world with Jesus (Craig) GONE! And they're fucking amazingly lovely. Every body is so noticeably far, greater much more enthusiastic and happy! I've seen so much, much of which nobody will ever be capable of seeing, ever, again. You see, the problem here is that whatever relation a 'car' has got to people, which still lays beyond my knowledge, and also outside of my desire to understand, so it is remains just a whatever to me. But 'cars', or whatever this has in relation to people, are capable of being recycled. It is important also for me to write here that, the first God, the ONE AND ONLY GOD AS FAR AS ANY BODY SHOULD EVER BE CONCERNED - which is a strong reasoning for my seeing that the theological sect of Judaism is of the most truthful and accurate understanding and composure the domain. You see they (in the sanest outlook as can be achieved) do not recognise Jesus as being a freakin' savour, of sorts. Does this really take much to be able to be understood by you all!? LOOK AT THIS FUCKING PLACE! IT IS ... FUCKED ... UP!!! That is all. Yes... Now to continue on from my rant slash rambling in the preceding, about the allowance of 'cars' in being recycled is that upon my destroying of Satan (Melanie) I received some thing from her in doing it all. You see, this I understand to be a 'car'

although its true existential base I still do not know. What it is that is to be precise is beyond my knowledge, and also beyond my willingness or desire to come to know, too. When I was in possession of this - from Melanie who is also a great person as the track by 'The Rolling Stones' sympathy for the devil sings in it that "I was in Saint Petersburg when I saw it was a time for a change..." she permitted me to actually bring her down, and upon my receipt of this 'car' which she GAVE to me, well- I WAS WALKING AND MANOEUVRING MY SELF SOOOO FUCKING COOOOL-LIKE, THAT IS WAS SOOO DAMN AWESOME, LOL. And then? Well I by accidently went to Craig's residence and ... he took it off of me. Funnily enough this retard who was Jesus in a previous life, wishes to again reinstate bullshit. Except that it will be far worse. He desires to reverse theology entirely. You see, I was told before visiting his residence that time that he took this 'thing' off of me, that "how well do you know this person? And that his [this person telling me this information] family was Catholic, and Christian and all of that bullshit" ... laughing as he understood what a joke all of these sects of theology were, and he explicitly told me that I would go there and drop something there ... See. It is horrible that this occurred although I had to come to understand these matters as they are in reality and truly before I could ever be capable of rectifying the standing issue that is in place here at present.

Also, just wished to express my most sincerest fuck. That, and not much else... LOL.
SO MUCH OF EVERYTHING IS RELATED TO MY LIFE, ALTHOUGH THIS IS
UNSURPRISING AS BOTH OF THE FIRST GOD, WHO I WAS WORKING WITH, THE
SECOND ONE (MELANIE IN LA, CALIFORNIA) WERE WORKING ALONGSIDE ONE
ANOTHER (maybe) TO BRING ABOUT CHANGE. THE ONLY ONE WHO WAS NOT, WAS
JESUS (CRAIG - THE THIRD ONE) WHO IS A FUCKING PIECE OF SHIT AND HE IS THE
ONE WHO HAD DRAGGED ME INTO THIS BULLSHIT ON THAT DREADED DAY WHICH
RUINED MY LIFE, ON THE 23.01.13 BY FILLING ME WITH HATRED AND NOTHING
ELSE! I WISH THAT THE WORLD REALISED THE TRUTH!

It is just that I was told by one kind individual some while into the past now, that there are them who wish to bring about change in the world, and then- those who just fuck around and accomplish nothing of any useful matter, ever. Wow. I just cannot believe what has happened to me throughout all of what I'd experienced. THERE WAS, ON ONE NIGHT, IN DURING MY TIME IN QUEENSLAND, TEN-THOUSAND NAKED TWO YEARS OF AGE TODDLERS WITHIN A MCDONALD'S RESTAURANT AT THREE IN THE MORNING, WALKING DOGS. Now this is why I developed the phrase, of which is the present domain for this web location! And that is only a very mild exaggeration, if it may even be referred to as such! As an exaggeration, that is!!! OMFG!

Write about the experience in Melbourne where it showed false impression of people being happy and eventually nobody was capable of speaking. Why the Universe may end.
Include more examples of about people thinking that I was 'jesus'.
Tell them about my incapacity to react any sooner than now given all that I went through. Despite all of the opportunities.
